MINUTE ORDER

16
17 The following minute order is made by the direction of the court, the Honorable
18 Richard A. Jones:

19 One or more parties in this action has filed a contested motion or motions seeking
20 relief from obligations or deadlines imposed under either an order of this court or the
21 Federal Rules of Civil Procedure. The court will consider the motion or motions in due
22 course, but issues this order to remind all parties that such obligations and deadlines are
23 not tolled, stayed, or otherwise inapplicable merely because a party has filed the motion
24 or motions. Until the court rules upon the motion or motions, no party is exempt from
25 any obligation or deadline imposed by court order or the Federal Rules, except as
26 specifically provided within the order, applicable Federal Rules, or statute.
27
28

1 The court encourages the parties to communicate and cooperate regarding case
2 management issues, and to submit stipulations for relief where appropriate. To the extent
3 that the parties dispute concerns their discovery obligations, the court also urges the
4 parties to consider the expedited motion procedure provided in Local Rules W.D. Wash.
5 CR 37(a)(2)(B).
